Author Guidelines

Southern African Review of Education (SARE) is the journal of the Southern African Comparative and History of Education Society (SACHES). It was previously published together with *Education with Production (EWP)*, the journal of the Foundation for Education with Production.

SARE will appear at least once a year. Contributors are welcome to submit articles on educational issues with specific reference to educational policy, comparative education, sociology of education, history of education, and education with production.

Beginning with Volume 5 in 1999, articles submitted will be anonymously refereed. Articles are accepted on the understanding that they have *not* been published or submitted for publication elsewhere. Articles or review essays should be between 5,000 and 7,000 words (inclusive of references) and may include maps, figures, and tables. Reports on research, book reviews, and critical comments should be limited to 2,000 words.

Contributions should be submitted electronically. All pages should be numbered. Authors should not use programs like EndNotes to generate lists of references automatically because these do not transfer for typesetting purposes.

The manuscript should be submitted bearing the title of the paper and an abstract of 200–300 words together with 4–6 keywords on a separate page. Maps, figures, tables, and illustrations should be supplied on separate pages and not included as part of the text. Their approximate position in the text should be indicated. Maps, figures, and illustrations should also be provided as separate electronic files (jpg) with a resolution of at least 300 dpi.

The title of the contribution and the names and addresses of authors should be provided on a separate page. The address of the author who will handle correspondence should be clearly indicated. Telephone and email addresses for the authors should be submitted as well. Authors should supply brief biographical material for the "Notes on the author." In a covering letter, the authors must state that the contribution has not been published, is not being published or considered for publication elsewhere, and will not be submitted for publication unless rejected by the editorial board of *SARE* or withdrawn by the authors.
